Meeting Minuets

The April meeting was called to order at 6PM. Attending were 16 members and 1 guest. The Wood of the month, Challenge, Raffle and Auction were held.

Jon announced that Andy Woodward will be doing the demo at the Club Picnic this year.

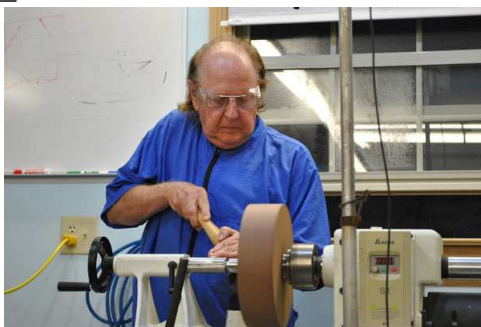

The Mike Mocho Demo will be June 18, 2011. Paul Todd discussed the new Shanks Center for the Arts on main street in Crossville.

The demo this month was given by Ken Warrick and the meeting was adjourned.

Monthly Demo:

A great demo was given by Ken Warrick on turning a “Chip Dip Bowl”

Even though the bad storm held down the attendance for the April meeting, many great pieces were displayed in the gallery.

Individual photos of gallery pieces will be posted on the web in the near future

More Notices

This months auction raised \$85.50. Having the auction each month in place of the August meeting seems to be working out well so far.

The Saturday Workshop (4th Saturday of the month) for May will be on turning a goblet and ??. More on this in a later notice.

As the attendance was down due to the storm, Jon is asking that anyone wanting to attend the Mike Mocho demo on June 18th to let him know. Also Mike will do a one-on-one workshop on Sunday for about eight people. Contact Jon for details if you are interested in this.
