Meeting Minuets

The February meeting was held with 28 members, 2 new members and 1 guest.

A new way to auction wood and other things was tried this month. It seemed to go fast and worked well. It will be tried again next month and if successful, will be an every month event at our meetings. This will eliminate the "August Tool Auction" and will add another monthly demo to our yearly program

The Challenge Of The Month was voted on and the Gallery pieces were talked about (sorry, no pictures of the gallery pieces this month).

It was voted on to donate the proceeds of \$353.00 raised from the selling of ornaments this past Holiday season at the "Parade Of Trees" event at the First National Bank of Crossville, to the "Kids On The Rise" charity organization.

A report was given by Deborah Birdsall on applying for grant money from the Electric Co. This will be investigated further.

The demo was given by Gil Buffkin and the meeting was adjourned.

Monthly Demo:

This months demo was given by Gil Buffkin on turning a natural edged bowl. A lot of the techniques he discussed were from attending the turning school at John C Campbell taught by Charlie Watson from South Carolina.
