## Meeting Minuets:

The July monthly meeting was called to order at 6 PM by the Club President, Gil Buffkin.

Attending were 25 members and 1 guest.

New business: The Club Library is updated on the web. The August meeting will be the annual "Tool Auction". The tentative date for the Club Picnic at Jon Reiver's shop is set for October 10th. A guest turner is scheduled for this event.

John Orban agreed to have a class on segmented layout on Sunday (Oct 2nd.).

The meeting was turned over to John Lucas who did a demo on lamps.

The Challenge of the Month (won by Les Black) and the Instant Gallery were discussed by the contributing members. The raffle was held and the meeting was adjourned.

**Monthly Demo:** Another very good demo was given by John Lucas on turning lamps. The demo focused on how to bore the lamp for a cord. Another suggestion is to use

two pieces of wood and cut a groove in the center before gluing them together. The lamp style is left up to the individual making the lamp.

John suggested taking your finished lamp to a Lamp Shade store for help with the style of harp and shade you need.

**Safety Tip Of The Month:**

Properly dispose of finishing rags and unused finishes. Do not leave open finishing material set around in your shop. This is a fire hazard.

**Challenge Of The Month Winner:**
