Meeting Minuets

The march meeting was called to order at 6PM. There were 26 members present. The Challenge of The Month, Raffle and Gallery presentation was held

The monthly auction was held and raised \$40.00 for "The Kids On The Rise" and \$146.00 for the club.

It was voted on to postpone the AAW Challenge until next year as we are running out of time for this year.

It was also voted on by the members to purchase a new mini lathe for the club. Discussion was held and members decided to purchase a Delta Variable Speed Mini Lathe. The old mini lathe will either be sold or returned to Bobby Clemons who donated it originally.

It was decided to have Mike Mocho do an all day demo on June 18 and Brenda Stein to demo for the Club Picnic this year.

A committee was appointed for scheduling ideas for the Saturday Workshops. They are Les Black, Gil Buffkin, Paul Kennedy and Bob Cummins. If you have any ideas for the workshop, please contact one of the committee members.

It has been decided on by vote to have the Christmas Dinner on Sunday, December 11th, at 2PM and to be held at the Train Depot on main street in Crossville. More on this later.

A demo was given by John Orban Jr. on making a Tea Light and the meeting was adjourned.

Monthly Demo:

This months demo was given by John Orban Jr. on making a Tea Light. John showed how to find the center of a triangle and the different ways of chucking up the wood for turning.

Safety Tip Of The Month

Be sure to know the toxic effects of certain woods. There is a “Wood Toxicity Report” on our clubs web page under “Tips”

Challenge Of The Month Winner:

Jon Reiver

Wood Of The Month Winner:

Treasures Report:

???

NEXT MEETING
April 27, 2011
Social Hour 5-6 PM
Meeting Starts 6 PM

April Demo:
Ken Warrick
Chip Dip Bowl

April Challenge Of The Month:
Tea Light

More Notices

Our Treasurer, Harold Broughton. has ask me to remind you that there are several members who have not paid their dues yet. Dues are always due in January. Harold said if you can't make the meetings, you can mail the dues to him. If you don't plan to be a member any longer, please let Harold know so he can remove you from the membership roster.

The workshop committee (see minuets on page 1) is open for suggestions and ideas for the Saturday workshops. Please contact a committee member with your suggestions. We are trying to set up the workshops in advance so we know what is needed that day

As Web Master, I will try to put the pictures of the individual members and their Gallery pieces on the club's web page in the near future. This will take some time to edit over a years worth of pictures and create new pages on our web site so be patient as this is a busy time of year for me with all the outdoor activities going on (mowing, gardening etc.). I will also try to set up our web page so individual pictures can be downloaded and saved to your own computer

Saturday Workshop Schedule

The Saturday workshops are always on the 4th. Saturday of the month unless changed due to conflicts with that date.

April: Layout and turning a Celtic Knot and Turning Finials

May: ???

June: ???

3 Month Demo List

April: Ken Warrick
