## Monthly Demonstration

Les Black gave a highly informative and entertaining demonstration on turning a 3 axis base for a Platter. For More Information on turning a 6 inch multi-axis foot visit: [www.woodspriteturnings.com](http://www.woodspriteturnings.com) Frank Penta "Detailing Platter Bases".

## Election of new officers for 2012

President: Rod Smith  
 Vice President: John Lucas  
 Secretary: Jon Reiver  
 Treasurer: Les Black  
 Librarian: Nico CearGeo  
 Technical: Ron Opat  
 Webmaster: Bob Cummins

## Challenge of the Month

The challenge for this month was a one piece wavy platter and bowl. The winner was Mike Elder with a box elder plate.

## January Challenge:

Everyone drew an envelope from a hat and will have to make whatever was in that envelope. If you did not get an envelope or have questions call Ken Warrick at: 931-788-0483

### Wood of The Month

Ken Warrick bought in a nice box for this month's wood of the month.  
Joe Zarnitz will be bringing in a piece next month.

### Wood Turning Scholarship

Jon Reiver won a wood turning scholarship for a wood turning school of his choice in 2012. Jon will have to come back and demonstrate to the club what he learned.

### Saturday Workshops

There will not be a Saturday workshop this month due to the holidays.  
A schedule of the main topics for the 2012 Saturday workshops will be made up at the January meeting. Please bring your ideas. In addition to the main topic each month, there will be wood turners available to give training on almost anything, beginners to advanced.

### Program and Refreshment Schedules for 2012

Sign up sheets for monthly programs and refreshments will demonstrations will be passed out in January. Please come ready to volunteer.

### Christmas Tree Charity

Thanks to the volunteers who made the ornaments and the volunteers who set up the tree. In the January meeting we will vote to decide which charity(s) we will give the money to that we raised by the sale of the ornaments. Be prepared to vote for your favorite charity.

### Safety Notes

Be sure to take care of your eyes, safety glasses, goggles or face shields should be worn at all times. Protect your lungs, wear a mask or respirator.

### Photos Of Your Work

The Show and Tell was great this month, what talent! I took photos of many of your pieces of art and I have sent them in an email to everyone.

### Show & Tell

The club decided to limit discussion on Show & Tell items to one per type per wood turner to help the meeting proceed along better. For instance if you make several bowls with the same technique, just talk about one of them. On the other hand, if you make several different types of bowls or used different embellishment or finishing methods or made both a bowl and a goblet, please tell us about each one.

## Cumberland Woodturners Holiday Dinner/Party

---

### Time and Place:

This years Holiday Dinner for the Cumberland Wood Turners and families will be held at the “Train Depot” at 169 Main Street in downtown Crossville, on December 11, 2011, from 2 PM until 6 PM.. A meal will be served. The entrance for the party room is on the west side of the Depot (Boston’s Restaurant side) and there is parking on three sides of the building. Additional parking is available in the Boston’s Restaurant parking lot behind the Depot.

Food: The club will furnish the main course (meats), plates, cups and table ware and attending members will furnish the side dishes, such as beverages, breads, salads, vegetables and deserts. Coffee will be furnished by the club. Muriel Smith has volunteered to coordinate the side dishes. Please contact her if you are attending and about what you are planning to bring. Her phone number is 931-707-9896. PLEASE contact her by November 30th so we will know the amount of meat to purchase and how many tables will be needed.

Thank you again Muriel, for volunteering for this task.

Set Up: Setting up for the dinner will start at 12:30 PM the day of the dinner. There is another scheduled event being held before ours. Volunteers will be needed for this. Volunteers will also be needed for clean up at the end of the event.

Gift Exchange: For those who don't understand how the gift exchange works, it's very simple. If you want to take part in the gift exchange, you have to bring a gift. If you and your spouse both want to exchange gifts, you have to bring two gifts. The gifts should be a turned item. In the past, we have separated the gifts in two categories; gifts for the guys and gifts for the ladies. If any of the ladies, who are into making homemade craft items, this would be okay for the ladies gifts categorie.

Door Prize: Each club member attending this event will be given a ticket. Numbers will be drawn for the door prizes.

**Also The new officers for next year will be introduced.**
