Mystery Box Winner was Ken Arrick. He won a nice Box Elder bowl turned by Ted Pelfrey.

The challenge for October was to make a Birdhouse Ornament. There were several entries. The winner was Larry Lewis. Nice job Larry

We had 25 members present.

We had 2 guests, Randy Gleckler and Kevin Nisiewicz

Meeting Minutes:

Treasurers report: Our balance is: \$5135.11

Reminder that every Tuesday at 8:00 AM, we will meet at Grinders Coffee Shop on Main Street. Rod Smith will send out an E-Mail each week as a reminder.(If he does not forget)

Reminder that Housekeeping at Les's shop is important. It is nice to have such a facility. If everyone would pitch in after the Demo and put chairs away, sweep up the chips, and help put back tables.

Dan Sauer is the Christmas Ornament Co-Ordinator this year. Bring in ornaments any time. Dan wants to tag and price them as we go, rather than wait until the end of the year and price and tag hundreds. Reminder, do not date your ornaments. We have 1100 ornaments in inventory but we need more. So keep turning.

The Homestead Artisans Festival was a huge success. The club raised over \$1221.00 toward the Christmas Ornament fund. Thanks to all that volunteered.

There is still a need for Beads Of Courage boxes and Wig Stands. Les Black has Beads for the BOC boxes. Thanks to all those who have contributed. Also, we need Wig Stands for the hospital Cancer Center. All gifts are greatly appreciated.

John Lucas did a critique of one of his pieces. He talked about form and different shapes. Thank you John. It was very informative.

Larry Lewis has the sign up sheet for next years demonstrators and refreshments. Do not wait too long to sign up. You do not want to miss your opportunity to demo.

The club is selling raffle tickets for a scholarship to either John C Campbell or Arrowmont. Tickets are \$5.00 each. A drawing will be held at the November meeting to determine the winner. See Larry Lewis for tickets. The winner will receive a full tuition but the travel and housing will be at the winner expense.

In the club cabinet, the club has supplies for sale. Items such as CA glue, Epoxy, Debonder, Accelerator, and sandpaper. We now have a supply of the CA glue that Mark Sillay sells. The bottles are \$34.00 and the Accelerator is \$12.00

No old business was discussed

New Business,

The nomination of officers for the coming year was held. The officers for next year will be Tom Neckvatal as President, Larry Lewis for Vice President, Rod Smith as Secretary, and Garron Riechers as Treasurer.

We are planning a Christmas Party this year. Jon Reiver is coordinating the event. The party will be at Tom Neckvatal's house. The date will be determined later. People interested should contact Jon Reiver and let him know how many are coming and what side dish you will be bringing. The Club will provide the meat, usually a spiral sliced ham and Kentucky Fried Chicken. We will have a gift exchange, so if you would like a gift then bring a gift. If you would like your significant other to have a gift, then bring a gift for them.

We are planning the schedule for next years demos and refreshments. See Larry Lewia to sign up.

Please visit our club WEB Site www.cumberlandwoodturners.com. There is a list of Up Coming Events and Tips and Projects from our demos and other sources.

Larry Lewis has a sign up sheet for next years demos and refreshments. Volunteers are needed. We had a very lively auction and raised money for the club. All items donated are appreciated.

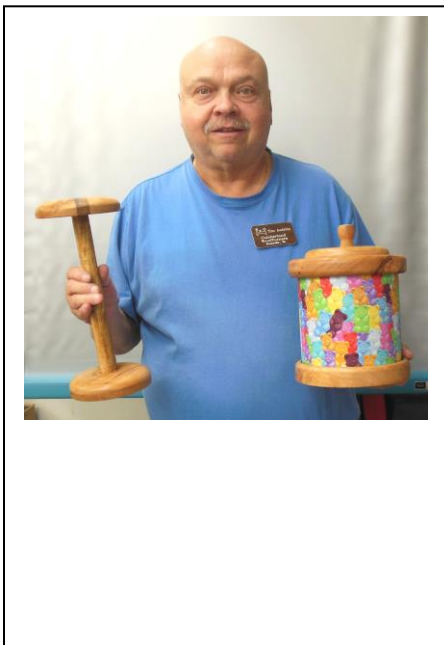

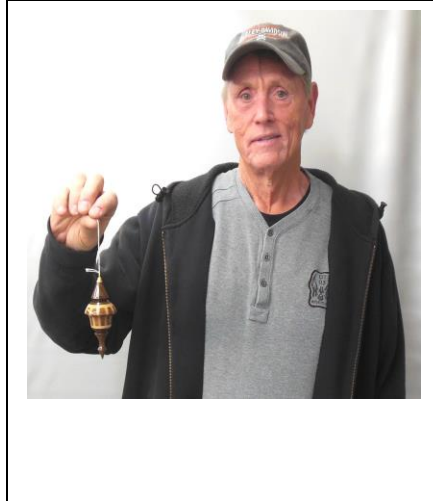

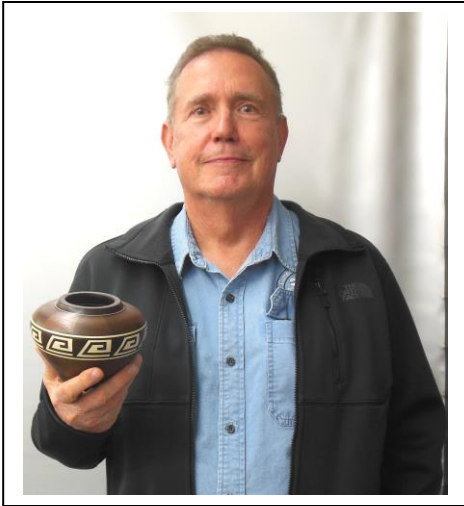

Safety Note

Larry Lewis talked the dangers of burning fires. Especially this time of year with all the leaves. Also, do not plug heaters into extension cords or power strips. They draw too many amps and can cause a fire.

The AAW Safety Booklet is posted on our website, along with other safety tips.

SHOW AND TELL

KEN WARRICK TURNING CHRISTMAS TREES AND SNOWMAN

Ken turned several Christmas trees and snowmen using only a skew. He explained his method of using the skew on each of the ornaments. Also, the decorating of each of them. There are several designs on the internet that can be copied. The snowman can be made with two, three, or four balls. Your choice. Good job Ken.
