## Les Black Alberta Peach Christmas Ornament Demo

---

By Les Black

Les Black presented a demo on how to turn an Alberta Peach Christmas Ornament. He explained the steps and tools that he used to turn the ornament. He also described the different options of tools that can be used to hollow the ornament and how each one is used. He also turned the top fennel and showed how to mount it in the ornament. He went on to embellish the ornament with a burning technique that he has developed. Good job Les.
