- The May 2017 Workshop to be held on Saturday, May 13, 2017 starting at 9:00am will feature sharpening of tools. Bring with you three (3) favorite tools to be sharpened correctly.
- Greg Wood announced that the city cut down a number of trees and that the wood is being held for club members to be picked up. The location of the wood is on Maryetta Street in Crossville, TN. Directions are go past Kmart on West Street TN-70 turn left at the Sanitation building and drive until you see the pile of wood. The trees for the club to be cut and taken are in front of a mulch pile. If you need further assistance contact Greg Wood, 850-768-1047. If we use this available supply of wood Greg will be able to continue to provide this to the club anytime the city cuts down trees.
- **SPECIAL NOTE: INSTRUCTIONS AND DRAWINGS FOR CLUB DEMO AND WORKSHOP WILL BE POSTED ON THE WEBSITE IN THE "TIPS" SECTION.**

James Duxbury Demo

Turning tips tool and tricks

James presented tips, tools and tricks for making a number of useful shop jigs to be used in your shop at a fraction of the cost of buying them. They included Tool Holders, Chuck Templates, Turned #2 Morse Tapers, Pen assembly Press, Pen finishing motor for slow rotation, Burning Wires Handles, Tapping Tool, Spur Drive Seating Tool, Flap Sander, Extension & Block Sanding Pad, Sander Mount for hand held palm sanders, Table Saw Height Gauge and Digital Angle Gauge. All of the instructions on how to make these jigs and tools will be available on the Cumberland Woodturners website under the TIPS section.
